6) 1 Para 4 has been modified to suit local conditions which is in order

7) 2 Para 6 (a) As there are different forms of rabies and several manifestations of infectious skin diseases, the recognition of which requires thorough knowledge of them, the Health Officer in whom the discretion and power is vested is no more qualified to deal with it than a Veterinarian in matters relating to human diseases I therefore suggest that a Veterinary Officer not below the rank of a Veterinary Inspector may certify the dogs before such dogs are sold in auction by the Health Officer

8) 3 Para 7 Veterinary Assistant Surgeon and Civil Veterinary Department may be corrected as "Veterinary Inspector and Department of Animal Husbandry" respectively as the former titles do not exist in the State

9) 4 Para 8 After Health Officer, the Superintendent, Mysore Serum Institute may be inserted in as much as there are different manifestations of Rabies, the accurate diagnosis of which needs the assistance of a qualified and experienced Veterinary Officer It is for this reason the Madras Corporation bye-laws under Para 8 have vested powers in the Principal, Madras Veterinary College, besides Health Officer to "know and suspect" rabies

10) 5 With the above modifications, I agree with the rest of the Bye-laws
